Digital Footprint

Digital Score | Be Found | Be Chosen | Book Without Friction

2.8s	70	Secure
MOBILE LOAD TIME	MOBILE PERF. /100	HTTPS

The example score of 74 shows a solid foundation. Faster loading and clearer contact options can improve the website.

BE FOUND
Clear page titles help prospects identify services and location.

BE CHOSEN
Clear service descriptions help visitors make a decision.

BOOK WITHOUT FRICTION
A visible contact option makes enquiries easier on mobile.

Quick Wins

- Compress large images and serve appropriate image sizes.
- Add the service and location to page titles.
- Make the contact link visible on the first screen.

What Potential Clients See

Visitors can recognise the practice and its services. A clearer mobile layout and direct contact link would improve the first impression. This is an illustration, not an analysis of a real business.
